

Sunday, 28 April

4pm

Registration  
Convention Lobby Foyer

5pm

Welcome Reception  
Convention Lobby Foyer

Monday, 29 April

7am

Registration  
Convention Lobby Foyer

8am

MEMBERS ONLY Breakfast  
Pacific B+C

8:15am

Governance, Risk and Compliance 1 - MEMBERS ONLY - Using Threat Objectives to Strategize and Measure Your Security Program  
Asia 1

MEMBERS ONLY - Planning Effective, Scenario-Driven Purple Team Engagements  
Asia 2

Emerging Technology 1 - MEMBERS ONLY - Security Using Blockchain - How Can We Do It?  
Asia 3

Governance, Risk and Compliance 2 - MEMBERS ONLY - The Life of a Security Trade  
Asia 4

Threat Intelligence 1 - MEMBERS ONLY - Open Source Intelligence for Your Organization  
Australia 3

9:15am

Security and Technology Operations 1 - MEMBERS ONLY - Leveraging Open-Source Tools for Hunting at Enterprise Scale  
Asia 1

Human Element and Social Engineering 1 - MEMBERS ONLY - Infiltrating Headquarters from Home: How to Establish Your Presence as a Remote Team  
Asia 2

Human Element and Social Engineering 2 - MEMBERS ONLY - Left of Bang (Preventing Insider Threats through Behavioral Analysis)  
Asia 3

Governance, Risk and Compliance 3 - MEMBERS ONLY - Opportunities to Impact Rules of the Road for Cyberspace  
Asia 4

10:15am

Opening Remarks  
Pacific B+C

10:45am

Keynote - Keynote  
Pacific B+C

11:30am

Human Element and Social Engineering 3 - Predict Future Threats with the Past in Mind  
Pacific B+C

12pm

Lunch  
Atlantic Hall ABC - Solutions Hall

1pm

Fraud 1 - Cracking the BEC Code  
Asia 1

Governance, Risk and Compliance 4 - From the Trenches: Data Classification and Labeling  
Asia 2

Security and Technology Operations 2 - The CIS 20 Critical Security Controls for Community Institutions  
Asia 3

Threat Intelligence 2 - MEMBERS ONLY - How Do You Provide an External Intelligence Lens To the Insider Threat  
Asia 4

Security and Technology Operations 3 - The Intersection of Security and Privacy: The CISO's Role in the Privacy Landscape  
Australia 3

Staffing and Talent 1 - A Unique Solution for the Information Security Labor Shortage  
Asia 5

2pm

Threat Intelligence 3 - Making Threat Intelligence Actionable  
Asia 1

Meet and Greet with the CEO: What Value Can FS-ISAC Offer You?  
Asia 2

Public, Private and Hybrid Cloud 1 - One Community Bank's Approach to Leveraging Cloud Technology  
Asia 3

Threat Intelligence 4 - Activism 2.0: How FIs are being Targeted  
Asia 4

Security and Technology Operations 4 - Developing a Unified Security Framework  
Australia 3

Governance, Risk and Compliance 5 - Quantifying Cyber-Risk: A Crash Course  
Asia 5

2:45pm

Networking Break Solutions Hall  
Atlantic Hall ABC - Solutions Hall

Continued from **Monday, 29 April**

**3:30pm**

Security and Technology Operations 5 - How a Global VM Program Handles 37 Million Vulnerabilities a Year  
Asia 1

Emerging Technology 2 - Balancing Security and Usability: Fraud Reduction in Commercial Banking  
Asia 2

Security and Technology Operations 6 - Gain Success with Intelligent Vulnerability Management  
Asia 3

Threat Intelligence 5 - MEMBERS ONLY - Building a Collection Management Program for Strategic Cyber-Intelligence  
Asia 4

Security and Technology Operations 7 - Why Consumer Apps Are Beating B2B in Encryption  
Australia 3

Resiliency, Recovery and Response 1 - How To Nurture a Partnership with Government and Law Enforcement  
Asia 5

**4:30pm**

Silver Solutions Showcase 1 - Silver Showcases  
Pacific A

**5:30pm**

Refresh Time!

**6pm**

Signature Dinner Event  
Citywalk at Universal Studios - Transportation pick up at Hotel

**Tuesday, 30 April**

**7am**

Registration  
Convention Lobby Foyer

Breakfast  
Pacific B+C

**8am**

Opening Remarks  
Pacific B+C

**8:15am**

Threat Intelligence 6 - Case Study: Why Information Sharing Works  
Pacific B+C

**8:45am**

Security and Technology Operations 8 - The Impact and Potential of A&O in Cybersecurity  
Pacific B+C

**9:15am**

Networking Break in Solutions Hall  
Atlantic Hall ABC - Solutions Hall

**9:45am**

Cloud 1 - Practical Steps to Avoid Self-Inflicted Harm in the Cloud  
Asia 1

Governance, Risk and Compliance 6 - It's What Counts, Not What's Countable: Metrics for the Modern CISO  
Asia 2

Staffing and Talent 2 - Tactical and Strategic Cyber Leadership  
Asia 3

Threat Intelligence 7 - Building a Cyberthreat-Intel External Engagement Capability  
Asia 4

Threat Intelligence 8 - Reducing the Attack Surface: Combining Identity with User Activity  
Australia 3

Fraud 2 - Fraud Working Group Sessions  
Asia 5

**10:45am**

Security and Technology Operations 9 - Evolving MFA for a Password-Less Enterprise  
Asia 1

Fraud 3 - Cyberfraud: From Threat to Opportunity  
Asia 2

Security and Technology Operations 10 - Transport Layer Security Updates: Version 1.3 and Safety Procedures  
Asia 3

Emerging Technology 3 - Droid Rebellion: Identifying and Neutralizing Mobile Malware Threats  
Asia 4

Threat Intelligence 9 - Cyber Ground Truth  
Australia 3

Public, Private and Hybrid Cloud 2 - Moving to the Cloud and Embracing SaaS  
Asia 5

**11:45am**

Security and Technology Operations 11 - Hackers Are Automating, Why Aren't You?  
Asia 1

Governance, Risk and Compliance 7 - Trusting Data, Reducing Risk  
Asia 2

Public, Private and Hybrid Cloud 3 - Protecting your Riskiest Asset in the Cloud: Office 365  
Asia 3

Business Enablement 1 - Real-Time Cross-Channel Analytics for Fraud and Security  
Asia 4

Threat Intelligence 10 - A Decade Tracking the Lazarus Group  
Australia 3

Continued from **Tuesday, 30 April**

Governance, Risk and Compliance 8 - FSSCC Cybersecurity Profile: The Implementers' Panel (Community and Regional FIs)  
Asia 5

12:30pm

Lunch  
Pacific B+C

12:45pm

Innovative Showcase - Innovative Showcase Lunch  
Pacific B+C

2:15pm

Security and Technology Operations 12 - Consolidating to a Singular Identity Management Platform  
Asia 1

Governance, Risk and Compliance 9 - Don't Break the Bank: Achieve Compliance Quickly and at Scale  
Asia 2

TED-style Talks - TED-style Talks  
Asia 3

Threat Intelligence 11 - Closing the Risk Management Loop with Cyber-Risk Quantification  
Asia 4

Threat Intelligence 12 - Actionable CTI: Not a Pipedream  
Australia 3

Security and Technology Operations 13 - Insourcing Your Security Operations Center Authors  
Asia 5

3pm

Networking Break in Solutions Hall  
Atlantic Hall ABC - Solutions Hall

3:45pm

Emerging Technology 4 - Building Trust by Securing Data in the Cloud  
Asia 1

Fraud 5 - The Email Fraud Pipeline: Stopping Phishers Before They Steal Billions  
Asia 2

Security and Technology Operations 14 - Red Team Live Hacking Demo on a Fictitious Retail Bank  
Asia 3

Security and Technology Operations 15 - A Practical Approach to Managing Insider Threat  
Asia 4

Governance, Risk and Compliance 10 - Strength in Third-Party Risk Data Fusion  
Australia 3

Threat Intelligence 13 - Tips and Tricks for Performing Threat Intel  
Asia 5

4:45pm

Silver Solutions Showcase 2 - Silver Showcases  
Pacific A

5:45pm

Networking Reception  
Atlantic Hall ABC - Solutions Hall

7pm

Sponsor Dine Around and Evening on own

**Wednesday, 1 May**

7am

Registration  
Convention Lobby Foyer

Breakfast  
Pacific B+C

8am

Opening Remarks  
Pacific B+C

8:15am

Public, Private and Hybrid Cloud 4 - How Secure is Your Cloud?  
Pacific B+C

8:45am

Human Element and Social Engineering 5 - Phishing Defense: The Art of Human Intuitive Repulsion  
Pacific B+C

9:15am

Networking Break in Solutions Hall

9:45am

Cloud 2 - Overcoming the Perceived Challenges of Banking in the Cloud  
Asia 1

Governance, Risk and Compliance 11 - Doing More with Less: CISOs and Security Ratings  
Asia 2

Threat Intelligence 14 - Utilizing Cyber Threat Intelligence to Support Risk Management  
Asia 3

Security and Technology Operations 16 - A Vulnerability and Patch Management Journey  
Asia 4

Threat Intelligence 15 - Exposing Hidden Yet Pervasive Cryptocurrency Threats  
Australia 3

10:45am

Fraud 6 - Customer Account Monitoring and Combating Fraud  
Asia 1

Continued from **Wednesday, 1 May**

Human Element and Social Engineering 6 - Proactive Information Security Travel Program

Asia 2

Threat Intelligence 16 - Struggles and Triumphs of Integrating Anti-Fraud and Cyberthreat Intelligence Operations

Asia 3

Security and Technology Operations 17 - What to Expect When You're Expecting a Pen Test

Asia 4

Governance, Risk and Compliance 12 - Cybersecurity Through the Eyes of an Auditor

Australia 3

11:45am

Security and Technology Operations 18 - Best Practices for Deploying and Utilizing UEBA

Asia 1

Governance, Risk and Compliance 13 - Issues, Problems and Threats Oh My!

Asia 2

Business Enablement 2 - IAM Strategy the Cornerstone for Enterprise Cloud Migration

Asia 3

Emerging Technology 5 - Adversary-Based Threat Modeling and Risk Analysis

Asia 4

Cloud 3 - How to Discover Cloud Shadow IT Infrastructure

Australia 3

12:30pm

Birds of a Feather - Birds of a Feather Lunch

Pacific B+C

1:30pm

Emerging Technology 6 - Building an Effective Application Security Program

Asia 1

Testing and Security Assurance 2 - Catching Lightning: Turning Red Team Actions into Business Actions

Asia 2

Threat Intelligence 17 - Priority Intelligence Requirements Generation and Requirements Satisfaction

Asia 3

Security and Technology Operations 19 - Connected Trust: A Holistic Approach for Implementing Zero Trust Environments

Asia 4

Testing and Security Assurance 3 - Purple Team Exercises: Make It Count

Australia 3

2:30pm

Threat Intelligence 18 - Building a Threat Intel Program from the Ground Up

Asia 1

Testing and Security Assurance 4 - Aggressive Phish Testing: From Paranoia and Hate to Awareness

Asia 2

Security and Technology Operations 20 - Steps to Automating Triage

Asia 3

Security and Technology Operations 21 - Measuring Your Program Status and Empowering Dev Leads

Asia 4

Staffing and Talent 3 - The Unstructured SOC

Australia 3

3:15pm

Networking Break in Solutions Hall

3:45pm

Closing Keynote

Pacific B+C
